DO WHAT YOU LOVE  
AND LOVE WHAT YOU DO

**MEET THE GIRL WHO STARTED IT ALL...** My name is Bella and I am the founder of Origami Owl. When I started in 2010, I had no idea Origami Owl would sky rocket into the company it is today. I was a 14-year-old with a dream to buy a car for my 16th birthday. So I started selling customizable jewelry! From selling to friends and family to offering an amazing opportunity to people everywhere, I kept my eye on my dream. You see, Origami Owl isn't just about the jewelry, it's about embracing the fact that there is nothing we can't achieve if we believe in ourselves. I hope my story has inspired you to follow your passion and never give up.
